

FLORIDA'S CHILDREN FIRST PRESENTS

# THE BRAVE NEW WORLD OF OUT OF HOME CARE IN FLORIDA

FRIDAY, MARCH 19<sup>TH</sup> | 1:00 – 3:30

## ABOUT THIS TRAINING

Florida is changing its array of placements for foster children to meet the requirements of the federal Family First Act. Beginning in October 2021 the federal government will stop paying for traditional group care. Will this change usher in a new and hopeful era for Florida children? Or will the practicalities of such a major shift have negative consequences.

In this training will learn about new options like Qualified Residential Treatment Programs and At-Risk of Sex Trafficking Group homes. We will examine the supports offered to relatives and non-relatives to care for children under the new foster parent licensing scheme. We'll look at the racial and ethnic disparities in placement. We will discuss advocacy opportunities so that everyone working with children will be prepared to navigate this new world.
