OF SOUTHWEST WASHINGTON

Compassionate Care ~ Always

The Examiner

WINTER/SPRING 2019

WELCOME TO THE NEW E-NEWSLETTER!

Welcome to the Free Clinic's new e-newsletter! We hope you like the new design, new format and new ways of sharing stories, events, and information with you! At least twice a year, you'll get informative articles about the Free Clinic, as well as updates on programs, events, and other news.

This edition of The Examiner focuses on the theme of Volunteerism, which is a significant topic for the Free Clinic, since we rely on over 500 volunteers every year to provide compassionate health care for our patients. You'll also notice a section where you can register online for the upcoming Sam Beall Breakfast, which will be held on Thursday, April 25 at Warehouse 23. Named after one of our founders, local Vancouver physician Dr. Sam Beall, this annual event provides an opportunity to enjoy a delicious buffet breakfast, while learning more about the Free Clinic and visiting with members of the health care

and business communities. We would love to have you attend!

Maybe you have a family member or friend who may benefit from the information in our e-newsletter - please share!

Each e-newsletter will also be posted on our website, Facebook page and Twitter. Be sure to follow us on Facebook at FreeClinicofSouthwestWA or on Twitter at FreeClinicSWWA for even more informative articles on health and wellbeing, plus clinic news, more frequently. We welcome your feedback as we strive to provide and facilitate compassionate quality health care for children and adults who are otherwise unable to obtain such services.
