## MEET DR. REMY EUSSEN

"I want to sleep good at night" is a phrase dentist Dr. Remy Eussen often says and firmly believes. A dental volunteer at the Free Clinic for the last four years, Remy says he has been very blessed in his own life and sees others who are not as fortunate. "By volunteering at the Free Clinic, I hope I am helping, in my small little way, to improve

people's lives."

As a volunteer, Remy performs dental treatment 2 to 3 days every month at the clinic, as well as serves on the Free Clinic Board of Directors, the Medical Advisory Committee, and chairs the Dental Advisory Committee.

"Volunteering at the Free Clinic is so gratifying," explains Remy. "It is a chance for me to give back to the commu-

nity some of what has been given to me."

When asked why he would encourage someone to volunteer at the Free Clinic, Remy points out the importance of doing something productive for others. "By volunteering, I can do that. This is why I volunteer and why I strongly encourage others to volunteer as well."

*Dr. Remy Eussen is a retired dentist who is an active volunteer at the Free Clinic.*
