*Did you know that there are many “standardized-test specific” accommodations for the SAT, ACT, AP, ISEE and other exams that may not be included in a student’s current IEP or 504 plan?*

**When: Wednesday, September 25, 6:30 - 8:00 p.m.**

**Where: Orange Public Library** - 31975 Chagrin Blvd.  
Pepper Pike -The Hope and Stanley Adelstein Room (A/B)

**Michele Sass believes that the success of obtaining testing accommodations and the overall academic success of a student is best achieved through a team approach between the school, the parents and the student.**

Michele began her educational advocacy career with her own daughter, who has a severe vision impairment. While her daughter was receiving some academic accommodations at school, she was initially denied the appropriate accommodations for the SAT, ACT and AP tests.

Since then, Michele has put both her passion for helping others and her skills in accommodations advocacy to work for other students with learning differences and/or other disabilities. She has a proven track record of gaining accommodations for her clients.
