

SUN AUTOMATION INC
ARIZONA • NEW MEXICO • SOUTHERN NEVADA

**SOLUTIONS
IN MOTION**

Join us for this Mobile Showroom and
Technology Event! – November 15th & 16th

Mitsubishi Electric Automation, Inc. has rolled out a mobile showroom that brings its full array of motion control solutions directly to our customers.

The 53-foot long Solutions in Motion showroom includes interactive demonstration pods in the Solutions Gallery with 32-inch high-definition video monitors displaying Mitsubishi Electric PLC products, servos, VFDs, HMs and networks in a wide range of manufacturing applications.

**Sun Automation will be hosting Two Solutions in Motion Events:
November 15th in Tucson & November 16th in Phoenix**

We invite you to join us at these FREE events from 10:00am to 2:00pm

Technology Forum

In addition to the Solutions in Motion showroom, our Automation Partners will be on hand displaying the latest in industrial automation technology.

Prizes will be given away every 30 minutes

Lunch will be provided from 11:00am to 1:00pm
