

NEWS FROM THE MEMBERSHIP OFFICE

Laura Mason, Membership Coordinator

The membership office has been very active with organizational membership applications and renewal processes this year. Self-studies and site visits have revealed a full range of successes and challenges. Many programs are still stabilizing following the pandemic, some have new or expanded outdoor and childcare programs, and most are finding their way into meeting our new Shared Principles. Everyone is clearly working very hard for the sake of young children!

Since my last report, we've welcomed [Merrohawke Nature School](#) in Boxford, MA, as a Full Member of WECAN. Merrohawke was founded in 2007 and joined WECAN as an Associate Member in 2019. They have a very successful forest kindergarten, homeschool programs for grade school students, and very robust summer camp programs. We're delighted to welcome them as Full Members!

The following programs have joined us as new Associate Members. Please join me in congratulating them and welcoming them into the WECAN fold!

- [Colegio Inlakesh](#) in Mexico City was founded in 2011 and has a full range of programs, from caregiver and child classes through high school.
