NEWS FROM THE MEMBERSHIP OFFICE

Laura Mason, Membership Coordinator

WECAN currently has 190 active member and affiliate schools, early childhood centers, and home programs! Of those, 132 are Full Members, 38 are Associate Members, and 20 are Registered Initiative Affiliates in Mexico, Puerto Rico, and on Tribal Lands.

The WECAN Path to Membership includes a process of self-study and peer review intended to help programs better recognize their strengths and areas of growth and guide them in their future development. We're expecting 47 member programs to host site visits this year and we have 4 applicants preparing for visits as well. We look forward to reading more about these programs in their reports!

The following programs have completed membership processes since we last reported in June.
