RenalEdge GPO Welcomes RenAlliance Group as a New Vendor Partner

Participants Gain Access to Dialysis Revenue Cycle Solutions, Dialysis Operations, and Compliance at Preferred GPO Pricing

RenalEdge GPO is pleased to announce a new vendor partnership with **RenAlliance Group**, a renal-focused billing and operations company founded by dialysis center owners. Through this partnership, organizations enrolled in RenalEdge GPO gain access to services designed to strengthen clinical and financial performance, support regulatory compliance, and improve revenue cycle outcomes.

As a third-generation healthcare provider founded by dialysis center owners, **RenAlliance understands the challenges independent providers face firsthand.** The company provides practical operational support to help dialysis organizations maintain survey readiness and compliance, while also managing the full revenue cycle from pre-intake through final payment. This comprehensive approach helps providers strengthen clinical and financial performance, improve cash flow, reduce administrative burden, and stay focused on delivering exceptional patient care.

As dialysis center owners and operators ourselves, we understand the clinical, operational, and financial pressures independent providers manage every day," said **Miles Davis, CEO, RenAlliance Group**. "We're excited to partner with RenalEdge GPO to bring providers hands-on support that helps them stay compliant, strengthen their revenue cycle, and remain focused on delivering exceptional patient care."

Additional information about this partnership, including enrollment details, will be shared on the RenalEdge website. To learn more, visit **www.RenalEdge.com**.
