RenalEdge GPO Welcomes Graham-Field as a New Vendor Partner

Members Gain Access to Medical Equipment and Patient Care Solutions at Preferred GPO Pricing

RenalEdge GPO is pleased to announce a new vendor partnership with **Graham-Field**, one of the world's leading manufacturers of medical products for hospitals, extended care facilities, clinics, and home care. Through this partnership, organizations enrolled in RenalEdge GPO gain access to preferred GPO pricing on medical equipment and patient care solutions designed to support both patients and the healthcare professionals who care for them.

Graham-Field offers a broad portfolio of products across mobility, patient aids, healthcare seating, beds and furnishings, bariatric equipment, stretchers, procedure chairs, exam room furniture, and other medical and facility needs. Its well-known brands include **Everest & Jennings®**, **Lumex®**, **Basic American Medical Products®**, **Hausted®**, **Intensa®**, **Gendron®**, and **Transfer Master**.

We're excited to partner with RenalEdge GPO to make Graham-Field's broad portfolio of medical equipment and patient care solutions available to participating organizations at preferred pricing," said **Peter Loope, President, Graham-Field**. "Our products are designed to enhance the quality of life of the people who use them and support the healthcare professionals who care for them."

Graham-Field continues to expand its Made in USA strategy, increasing the number of products manufactured domestically to provide customers with greater choice and faster delivery times. Headquartered in Atlanta, Georgia, the company maintains manufacturing facilities across Georgia, Rhode Island, North Carolina, and Wisconsin, supported by a nationwide distribution network.

Additional information about this partnership, including enrollment details, will be shared on the RenalEdge website. To learn more, visit www.RenalEdge.com.
