RenalEdge GPO Welcomes Fresenius Medical Care Renal Therapies Group LLC as a New Vendor Partner

Members Gain Access to Velphoro® at Preferred GPO Pricing

RenalEdge GPO is pleased to announce a new vendor partnership with **Fresenius Medical Care Renal Therapies Group, LLC**, a team committed to supporting people living with end-stage renal disease (ESRD) and the providers who care for them. Through this partnership, organizations enrolled in RenalEdge GPO gain access to preferred GPO pricing for **Velphoro® (sucroferric oxyhydroxide)**.

This partnership expands the pharmaceutical options available through RenalEdge GPO and helps independent dialysis providers access clinically important therapies at competitive pricing while supporting cost-effective patient care.

Fresenius Medical Care Renal Pharmaceuticals focuses on the unique needs of people living with ESRD and has become a partner to biotechnology and pharmaceutical companies providing treatments for this patient population. Its renal-focused expertise and commitment to supporting care across settings align with RenalEdge GPO's efforts to bring meaningful solutions and greater value to dialysis providers.

Additional information about this partnership, including enrollment details, will be shared on the RenalEdge website. To learn more, visit www.RenalEdge.com.

About Fresenius Medical Care Renal Therapies Group, LLC
Fresenius Medical Care Renal Pharmaceuticals is passionately committed to helping people living with end-stage renal disease (ESRD) lead more active and fulfilling lives by supporting care both in-center and at home. The team has become a partner of choice for biotechnology and pharmaceutical companies providing treatments to ESRD patients. freseniusmedicalcare.com
