**If you have never joined a zoom call, please look at these find the instructions on our home page: [stmarkcp.org](http://stmarkcp.org).**

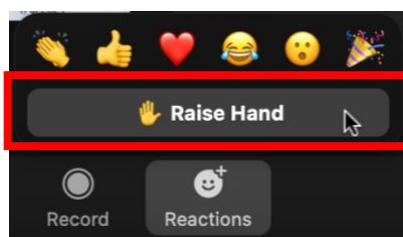

For our Annual Meeting, we are asking everyone to stay on mute so the connection is clear for everyone to hear. To ensure that we don't talk over each other, we are asking everyone to either use the 'raise your hand' or chat option to ask their questions.

### Raise your hand option

- At the bottom of your zoom screen there is the Reactions button

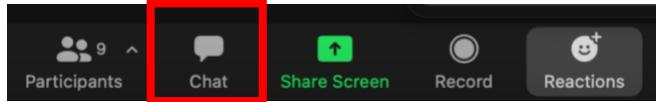

- Press that button and there will be a pop up that has options.

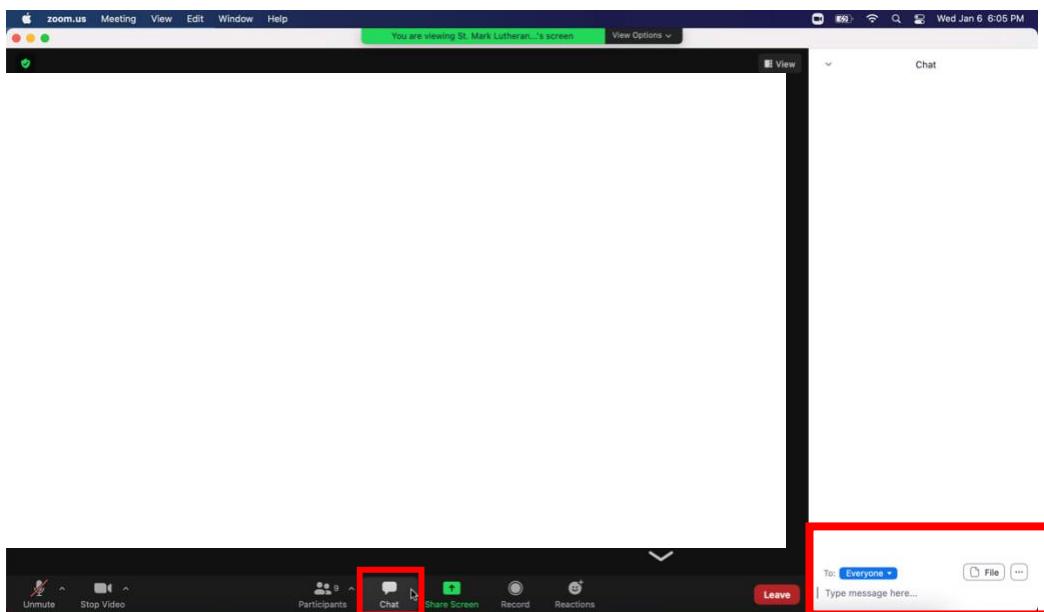

- Press the Raise Hand button and a little icon will appear in the upper left hand corner of your picture. There will be a few people that will be watching for these and will write your name down if we are in the middle of answering/explaining something else. And then call on you to unmute yourself to ask your question.

### Put your question in the chat option

- At the bottom of your zoom screen there is a Chat button

- Press that button and a chat window will pop up on the side and you will be able to type your question in. You can either send this to everyone or someone specific.

### Voting

We have a few things that we will need to vote on during our meeting:

- Last year's annual meeting minutes
- Ratify the constitution changes from last year
  - If you'd like a copy of the current constitution, please let Jenny know.
- Council representatives
- 2021 Budget

To ensure that we get all the votes from eligible voters (confirmed members of St. Mark), you will be asked to put a thumbs up or thumbs down to cast your vote. We will also explain this at the beginning of the meeting as well.
