

## The First Sunday in Lent – Year A

### The Collect

Almighty God, whose blessed Son was led by the Spirit to be tempted by Satan: Come quickly to help us who are assaulted by many temptations; and, as you know the weaknesses of each of us, let each one find you mighty to save; through Jesus Christ your Son our Lord, who lives and reigns with you and the Holy Spirit, one God, now and for ever. Amen.

*The organ work TRIVIUM is one of the first works created in Pärt's "new style," and was first performed by organist Rolf Uusväli, Pärt's former colleague from his days at Estonian Radio. For the first time, Pärt's audience heard the word tintinnabuli, the name of his then-new composition technique, wherein chant-based melodies are pixelated and diffused over a static tonal-center. TRIVIUM is the only work from that 1976 collection, where the instrumentation has not been altered or varied by the composer since its inception.*
