INSTRUCTIONS FOR PARTICIPATING IN THE ANNUAL MEETING OF JANUARY 31, 2021

For those already familiar with Zoom: We will use the same connection that we have been using for worship and meetings since May 2020.

For those new to Zoom: you will need an electronic device on which you can download the Zoom app. After doing so, select *Join a Meeting*. Once there, enter these numbers:

- Meeting ID: 792 031 7452
- Passcode: 1133

Our regular Zoom link may also be found in our Wednesday e-newsletter, *This Week at Ascension*, and on our website home page: www.ascensionchicago.org. You may be prompted to download the Zoom app if you haven't already done so.

If you don't have a computer, smartphone, or tablet:

A computer or mobile device is needed for full functionality and voting, but you can listen to the meeting and speak in it using ordinary push-button telephone functions.

- Dial (312) 626-6799.
- When asked for Meeting ID, enter 792 031 7452 followed by #.
- When asked for Host ID, press #.
- When asked for Passcode, enter 1133 followed by #.

During the meeting, you can dial *6 to raise your hand, indicating that you wish to speak. The moderators will ask you to unmute at an appropriate time. Dialing *6 again will lower your hand.

If you need technical assistance on the day of the Annual Meeting, Deacon George Arceneaux will be available to help you connect. You may reach him by phone prior to and for the first 30 minutes of the meeting at: (337) 288-2277
