PARKING STICKER APPLICATION

Over the next two months, from Sept 15—Nov 15, 2022, Ascension will be issuing new parking stickers to replace the current blue ones. Applications will be hard-copy only. You may print this form or pick one up on Sundays from an usher or at coffee hour. In submitting an application with your signature and date you confirm that you have read and understand the requirements, limitations and responsibilities listed below that come with being issued a sticker and parking in the Ascension lot. Unless special arrangements are made, applications must be submitted in person to clergy, Sunday usher or at the church office. New stickers will be mailed within two weeks of approval by the vestry. Blue stickers will no longer be valid after Nov 30, 2022. Please contact Ken Cozette with questions: 630-660-5293 or cozetteken@yahoo.com
