

# EDUCATIONAL FIELD WORKSHOP: HOME PROTECTION AND FOREST RESILIENCY IN SISKIYOU COUNTY

THURSDAY, OCTOBER 31ST

MT. SHASTA, CA

9AM-12:30PM

You are invited to join Cal Poly's Fuels and Vegetation Education Program for a field-based training in Mt. Shasta at the Wherrit Forest, a Siskiyou Land Trust property.

This is an informative and interactive field workshop focused on enhancing home protection and forest resiliency in Siskiyou County. Representatives from key organizations, such as CAL FIRE, NRCS, and more will give insight to the resources and services available to landowners and community members for improving forest health and fire preparedness on their own property. Participants will have the opportunity to engage directly with the speakers in a Q&A discussion about what organizations can offer and identify specific resource needs. This workshop is ideal for landowners, community members, and anyone interested in learning more about forest management and wildfire resilience in the Mount Shasta region.
