

## ***Center for Collaboration In Community Health Webinar Series***

### **September Webinar - Why Collaborate?**

CCSI's Center for Collaboration in Community Health is hosting a webinar series developed to share insights about approaches for succeeding in the new Medicaid Managed Care service delivery system. We invite you to join us!

This webinar will provide a perspective on the importance of effective collaboration in the emerging world of Value Based Payments and steps to take to begin the process.

**Presenter:** John Lee, MBA - Director | CCSI, The Center for Collaboration in Community Health

**Date and Time:** September 20, 2017, noon-1:00pm
