

## Triangle Block Club's 7<sup>th</sup> Annual Community Outreach Event

On August 12th, several CCSI staff members had the chance to participate in this terrific celebration in the neighborhood surrounding our 1099 Jay Street Offices. This annual event, now in its' 7<sup>th</sup> year, brings together hundreds of neighbors, friends and families in the JOSANA neighborhood for an afternoon of food, fun, music and more. As you may remember, at CCSI's 25<sup>th</sup> anniversary celebration in May, we were excited to recognize the work of Charles House Neighbors in Action, a neighborhood association working to build community cohesion and

improve quality of life for residents living in the City's JOSANA neighborhood with \$25K in funding to support their work. Some of this funding was used to help support this neighborhood celebration.
