Summer 2022 Meeting Schedule

Here is our 2022 summer meeting schedule. During this time, we will meet in the school cafeteria unless I tell you otherwise. We will have our meetings every other Monday evening with the exception of July 4th. We will meet from 6:00-7:30 unless otherwise stated. These are just our biweekly gathering times. There may be other service projects or events that come up during the summer. If we have any, I will let you know about those as soon as they come up! Thank you very much, and I look forward to a fun summer together!
