## TEST PREP COURSE

During the next few months, many of our juniors and seniors will take their ACT College Entrance Test. To help students prepare for this test, Advantage Educational Programs, in cooperation with Eastern Carver County Community Education, will offer their ACT prep courses to students from all high schools in Eastern Carver County.

Are you uneasy about your test-taking skills or unsatisfied with previous ACT results? This may be the course for you.

For more information, go to [www.AdvantagePrep.net](http://www.AdvantagePrep.net) or call 612-222-5108.

Internet connection and a computer or tablet is required.
