Experience the colorful magic of fall in the Young Rembrandts classroom. Kick off the season with an interesting Iguana, a video game favorite Pixel Block Character and the geometrical world of architecture as we draw the Notre Dame Cathedral. Later, students will immerse themselves in the seasonal spirit as they learn still life technique of pumpkins, draw a detailed Scarecrow, and draw a silly but challenging Patterned Bat. Finally, get ready for winter as we turn out a "sweet" drawing of a gingerbread house (almost good enough to eat!). We'll draw these (and many more exciting lessons!) while we improve creative and critical thinking skills today's students need
