

Gulf Regional Planning Commission 2018 PLANNING INTERNSHIP OPPORTUNITY

Rate of Pay: \$15-\$20 per hour

Hours: 240- 300 hours

INTERNSHIP RESPONSIBILITIES:

The candidate will report to the Executive Director and assist in general planning activities. Responsibilities include research, writing, economic analysis, GIS mapping, social media management, and other tasks as designated. The candidate will receive planning experience with the Metropolitan Planning Organization for the three coastal counties in Mississippi and will work on various planning and economic development projects in a dynamic, forward-thinking environment. The candidate will also work on urban and regional planning activities for the Gulf Regional Planning Commission (GRPC).

JOB FUNCTIONS:

- Land Use Planning and Urban Planning
- Economic Impact Analysis
- Geographic Information Systems (GIS) mapping and system development
- Social media and marketing
- Public outreach
- Assist with event planning and management

IDEAL QUALIFICATIONS:

GRPC is seeking someone who is a team player and has exceptional skills. The candidate should be highly self-motivated and interested in bringing projects to completion that further the Gulf Coast's economy and quality of life. The ideal candidate will be extremely versatile and be able to work with different departments and in different fields.

COMMISSION SUMMARY:

In its capacity as a regional governmental planning agency, GRPC works closely with the local public agencies and the citizens of the MS Gulf Coast to provide information and tools that support the regional decision-making process. As the MPO, GRPC staff work diligently to promote a safe, efficient and fiscally sound transportation system that serves the travel needs of coastal residents, businesses and visitors.

To Apply

Send a cover letter and resume to Paul Gavin, Executive Director, Gulf Regional Planning Commission, to pgavin@grpc.com
