

## **Job Opportunity**

**The Birmingham Business Alliance, the lead economic development agency for the seven-county Birmingham MSA, is actively seeking a candidate to fill the position of Economic Development Manager.**

**This individual will work within the BBA's economic development division, and will have a wide range of duties, both within the division and across other divisions within the organization. Additional duties will include some administrative tasks, as well as various research activities. The ideal candidate should demonstrate excellent communication skills, both written and verbal, as well as proficiency on web-based and computer-based applications, in addition to specialized software.**

**The EDM will serve as a liaison to allied economic development organizations at both the local and state level, and will be expected to transition to project management duties over the course of his/her employment. A Bachelor's degree or higher is required, preferably in business, economics or related field. Previous experience in the economic development field, or post-graduation economic development certification, is a plus.**
