

## THIS WEEK IN FARBER SPORTS

Jonas Singer

This week in Farber sports, there were eight games across the four teams. On Tuesday, the 7th and 8th, JV, and Varsity teams all took on Eton. The 7th and 8th grade team won in a dominant 60-11. The JV team shared the love by getting everyone on the team buckets and getting the 65-38 win. Despite losing to this very Eton squad earlier in the season, Farber won a nailbiter 59-55. The team played with great hustle 20 points coming from Aaron Adler and Joey Winer helped with great rebounding. On Wednesday, all three teams went back to Eton to win another three commanding victories. On Thursday, the two middle school teams took on Hillel for the second time this year. The 5th and 6th grade team couldn't hang on in the second half losing the game 14-34. The 7th and 8th grade team's game was a close one all the way through. Going into the fourth quarter Farber was down 19-16 but the team played tremendous defense in the fourth letting up zero points and won the game 22-19. Farber went 7-1 for the week and all teams are looking forward to another week in Farber basketball.
