

LANSING TRIP FOR THE 3RD, 4TH, AND 5TH GRADES

As part of the 3rd grade curriculum, Mr. McClure teaches our students about the history of the state of Michigan. Because covid had cancelled our annual trip for the past two years, our 3rd, 4th, and 5th graders and their teachers headed to Lansing on Monday. After learning about Michigan's journey to statehood in 1837, including about the Native Americans who lived here, followed by the French Europeans, the British and finally by the Americans. Our students began their time in Lansing at the Michigan Historical Museum which documents Michigan's journey to statehood. They then headed to the Capital building where they checked out the stars at the top of the dome. Thank you to our teachers for accompanying our students on a fun and informative trip!
