

THIS WEEK IN FARBER SPORTS

Jonas Singer

This week in Farber sports all four teams competed over Tuesday and Wednesday. On Tuesday the three oldest teams played at Eton Academy. The only team to come out of Eton with a win on were the 7th and 8th graders who pulled through in the clutch to get the win. The JV team had four of their players missing, due to players fouling out. The team was forced to play the entire fourth quarter with only four players. On Wednesday the two middle school teams travelled to Liggett. Both teams played good team basketball but suffered disappointing losses. Back at Farber, the high school teams were set to face off with Eton again. The JV team got all of their players back and the team's chemistry was put on display. The team hustled for second chance points helping Gideon Lopatin finish the game with 28 points. The team is excited to face off with FJA next Wednesday. The Varsity team also won their game, 61-47. Aaron Adler's elite scoring ability helped the team in their demanding win against Eton. The varsity team has their work cut out for them preparing for the Tanzman tournament. To cap off the week the 7th and 8th grade team played the staff. At the beginning of the game the middle schoolers seemed to have the edge but the staff came swarming back. The staff continued to keep up with middle schoolers. Rabbi Kosowskys speed allowed the staff to press the smaller team all game. At the end of the game the staff pulled it out with a score of 17-19. The teams are looking forward to another week of Farber basketball and the Tanzman Tournament.
