

## Help SAGA Collect Stuffed Animals for Children in Ukraine!

SAGA parent, Mia Spangenberg, is organizing a stuffy drive for children suffering in war-torn Ukraine. If you would like to participate, read below.

### What can be donated?

- New stuffed animals, with tags still attached.
- No bears or weighted stuffies (the organization Mia is partnering with does not accept them)
- Stuffed animals should be no bigger than medium-sized, about 8-10 inches in height.

Starting Monday, 16, 2022 you can bring your stuffed animals to SAGA and put them in the plastic donation bin by the front door or the donation bag at SAGA+. Mia will be collecting donations through the month of May. Thank you for helping to bring joy and comfort to children in Ukraine!

(Monetary donations are also accepted and can be submitted to the school office.)
