

Buford City School System District Level Goals 2022-2023

The purpose of Buford City Schools is to empower all students to become globally competitive critical thinkers, innovative problem solvers, responsible individuals, and productive citizens.

BCSS expects all students will:

- Meet or exceed state CCRPI improvement targets in ELA, math, science, and social studies as measured by the Georgia Milestones Assessment System.
- Exceed expectations in the classroom, on the field, and on the stage.
- Graduate from high school equipped with skills to compete globally.
- Be taught by professionally qualified, passionate teachers who demonstrate life-long learning by holding advanced degrees, multiple certifications, and endorsements.
- Be provided with excellent facilities and a rich, academic environment that is safe and conducive to learning.

Buford Academy School Goals 2022-2023

Our goal at Buford Academy is to provide the finest education possible to help our students achieve success.

By the end of the 2022-2023 school year:

- 100% of Buford Academy students will demonstrate increased literacy capacity as measured by ELA assessments and benchmarks.
- 100% of BA staff will increase their capacity to meet the social-emotional and intellectual well-being of diverse learners as measured by participation in D&I and other ongoing SEL professional learning.
- 100% of Buford Academy teachers will demonstrate leadership through various roles and responsibilities.

Belong and Achieve

Buford Academy Title I School-
Parent-Student
Compact (revised
5/15/2022)

What is the
Buford Academy
Title I
School-Parent-Student
Compact?

The B.A. compact is a written agreement describing how all members of our school community—parents, students, and the entire school staff—agree to share responsibility for student learning. Truly believing and achieving together, we can guide our students to be the leaders of the future.

Did You Know...

-  Parents, students, teachers, and faculty members work together to develop our school-parent-student compact. Annual parent surveys are a source used to help review our progress and assess our goals.
-  This compact explains the shared responsibility of helping to build a partnership which meets the needs of our school and students.
-  Parents can provide feedback on the compact at anytime during the school year. Please call (678) 482-6960 or visit our website, www.bufordacademy.org, for more information on the school-parent-student compact.

As a Parent I agree to...

- Be A**n active participant by attending Open House, Curriculum Night, Parent Teacher Conferences, and other events throughout the school year.
- Be A** supportive parent by having my child read at least 20 minutes five nights each week to help increase their reading level, by assisting with homework completion, and reviewing school communication nightly.
- Be A** supportive parent by practicing math facts with my child at least 10 minutes two to three nights each week.

Mission Statement

We are committed to providing an equitable and safe learning community in which students achieve their personal best through academic, emotional, physical, and artistic growth.

As a Student I agree to...

- Be A**n active participant by cooperating in classroom activities, asking questions when I do not understand, and completing classroom assignments.
- Be A** responsible student by reading at least 20 minutes five nights a week, completing my homework, studying for tests, and reviewing school communication with my parents.
- Be A** responsible student by practicing math facts at home for at least 10 minutes two or three nights a week.

As a Teacher I agree to...

- Be A**n active participant by regularly updating PowerSchool, scheduling parent-teacher conferences twice a year, and consistently communicating through phone calls, email and newsletters.
- Be A** supportive teacher by providing research-based differentiated instruction that helps to ensure students can achieve their Reading and writing goals.
- Be A** proactive teacher by communicating with parents benchmark data to address standards and skills related to math.
