"A Tradition of Excellence"

For each school please pull up to the designated location and stay in your car so that we can continue to adhere to safe social-distancing practices. **Please place a sign with your student's first and last name in the windshield so that staff can retrieve their items.** A staff member will place your student's items in the trunk of your car or through a window you have rolled down. We appreciate your adherence to these guidelines so that we can do our part in keeping everyone healthy, as well as keeping the lines moving to respect everyone's time.
