## BHS Performing Arts Center

It can be daunting being a parent in these digitally-driven times, where our children were born natives and as parents, we're desperately trying to keep up. The Buford community will welcome Katie LeClerc Greer, a nationally-recognized digital safety expert, to update parents on the latest tech trends, safety issues, and tips on how to help our children have a productive, healthy relationship with technology. This unique opportunity is for adults ONLY. (No one under the age of 18yo will be permitted to attend.)

\*Childcare for ages 4y-10y will be provided. RSVP using free ticket link.\*  
Come learn what's new, what's now, and what's next when it comes to your children and technology.
