

ADMINISTRATIVE PERSONNEL ASSOCIATION {APA}

My experience and appreciation for APA
By Carrie Black

The Mission of APA is to offer opportunities for professional development and personal growth for those called by providing continuing education events for certification and occasions for fellowship, worship and spiritual nurture and prayer at both National and Regional meetings as well as seminary sponsored training events.

*Myers Park Presbyterian Church
Charlotte, NC*

I have now attended two APA Conferences. Last year I attended the Pacific Region Conference in Lake Tahoe. This year I attended the National Conference in North Carolina. While at these conferences I took classes on Polity, Document Management (PCUSA Historical Society), Microsoft Excel, Dilemma of Plateauing and Stewardship to name a few. All these classes have helped me do my job better. The classes were wonderful, and it was great getting to know others who do the same job as myself. In the time spent together, we found out how each other handle day to day trials and tasks. I immensely enjoyed the classes and fellowship.

Next Year the APA, Pacific Region Conference will be in Lake Tahoe, NV and the APA, National Conference will be in New Orleans, LA. In 2021, the National Conference will be in San Clemente, CA. I encourage all Churches to send their Administrators to an APA Conference. There may be scholarships available through PIM.

I would like to Thank the Presbytery for the opportunity to attend the APA Conference.

Blessings,
