4:00pm to 5:00pm	Post-Event Meal
5:00pm to 5:30pm	Awards

INFORMATION:

This event is a 4-person Big Cup Scramble. There are no handicaps required for this event and every team has a chance to win with a Blind Cut. We will play in 8-somes to keep everyone honest. There are 8" cups cut in the greens in some precarious locations.

A Blind Cut is where the lowest 6 to 10 scores (depending on participation) are in A-Flight, the next 6 to 10 scores are in B-Flight and so on.

A Calcutta is a live auction where anyone may bid on a team playing in the Big Cup Event. The person who has the highest bid on a team, now owns that team. If that team finishes in the top 3 in their flight, the person who was the highest bidder on that team stands to win some \$\$\$\$. The Pay-Outs for Calcutta are as follows: 50% of the Calcutta money in that flight's pot goes to the bidder on the 1st place team. 30% goes to the high bidder of the 2nd place team and 20% goes to the highest bidder of the 3rd place team.

A Playoff will take place if there is a tie for 1st, 2nd or 3rd in any flight. The Playoff will be a closest to the pin competition on hole #9. A coin flip determines which team goes first and players should alternate taking turns until all players have taken a shot.
