DG Randy Tompkins Rye642@comcast.net

Welcome to a new year of LIONS!

This is an exciting time of year. In just a few days we will have a new International President in Brian Sheehan. We will have new leadership in both the District and Club levels and the sky is the limit in what WE can achieve TOGETHER.

As I write this article, I am busy packing getting ready to hit the road to my First International Convention in Montreal Canada. This will be my first article as your newly elected District Governor, and I must tell you that I am honored and humbled to be in this position. Of course, I will not be doing this by myself. You have elected two great leaders in First Vice District Governor Kamal Masand and Second Vice District Governor Peter Lapointe. I am truly fortunate to also have a great leadership team that has agreed to serve in my Cabinet and on committees. The momentum that is happening in our District through positive membership, great service projects and overall commitment to our local communities is a credit to all Lions in the District.

The District Leadership Team will be working for YOU. The local Clubs service to their communities is vital to their continued success in helping the community as well as being VISABLE and being the BEACON OF HOPE to those in NEED. I look forward to visiting each club in the coming year. The emphasis on the visit to listen to what your clubs are doing and find out if there is something that I or the District can do for you. All too often it has been, what your club can do for the District but I want to stress that it is YOUR DISTRICT and I want to help you succeed in any way I can. Please call Cabinet Secretary Kitty Callender and set up a date for a visit. The sooner the better, so harsh weather does not become a hinderance.

Some of the goals for our District include:

Less reports being read at Cabinet meetings which gives time for relevant guest speakers.

Less use of the LIONISTIC Acronyms: We all need to speak the same language.

Getting back to Clubs visiting other Clubs and gathering in an atmosphere of Fellowship Friendship and most of all FUN.

Bridging the GAP between the local Club and the District. There needs to be a reason for the membership at large to attend Cabinet meetings and Conventions

Please make August 21st Cabinet meeting a part of your schedule. This is the kick-off event for this year.

The Cabinet meeting will be held at YOUR Lions Camp Pride. There has been so much done over the last year at the CAMP and it is my hope that you attend the meeting a see all that has happened.

Yours in Lionism,
District Governor Randy Tompkins

As summer is beginning, enjoy the warm weather with family and friends. I would like to wish all of you the best for the upcoming Lions year. During the past year we did well with membership, so let's try to retain members and keep adding new members. Let's keep up the momentum of reporting services to My Lion. More hands are welcome help when we provide service. Our Moto is "We Serve"; keep up the services in your communities.

I am looking forward to another banner year.

In case you haven't seen it, we received an inspiring farewell note from outgoing International President, Douglas Alexander:

Service is more than something we do. It's who we are. And this year, I have been astounded by the service and the heart you have given to your communities. Through the countless challenges we have faced, you have brought the triumph of hope to millions in need.

I am so proud to have been a part of this extraordinary year of courage, kindness and generosity. Our service has reached beyond borders and touched the world. As we move forward, I want you to remember the unlimited possibilities that come from serving from the heart.

Thank you for being the steadfast heartbeat of this great association, and the goodness that sustains our world. It has been my greatest joy and the honor of my life to serve you.

Yours in service,

Douglas X. Alexander International President

SVDG Peter Lapointe

As the summer season get underway take the time to enjoy time with family and friends. It's also a great time to keep an eye on your local community and identifying possible needs for support.

I am looking forward to supporting District Governor Randy this year and working with 1st Vice District Governor Kamal on serving the clubs across District 44H.

I encourage you to spread your wings and soar to new heights!

Regards, Peter

Happy summer. Welcome to the 2022-23 Lion Year with DG Randy. I will be the GMT again this year. We just completed a terrific year with membership. I hope we continue building up our club numbers. Keep up the good work. We can accomplish more with more members. We can also put forth an international director if we continue to keep our new members. If I can help in any way, please let me know. I'm looking forward to working with all of you again this year.

LEADERSHIP We are getting ready for a new year!! New Leadership!!

I wish the 2021-2022 District Cabinet the best for our upcoming new Lionistic year. District Governor Randy has new goals for the district and needs the help of each one of us to accomplish them. I am looking forward to working with you all. Please know I will be available to work with you and help in any way I can. Looking forward to seeing you all at the pre-cabinet on Saturday July 9th.

MCC Chair Comments, Robert Gustafson

Hello Fellow Lions,

July is upon us and a new Lions fiscal year. Let's make this year better than the last one. Incremental improvement is the name of the game. I congratulate District Governors' Randy Tompkins for 44H and John Wynne from 44N for being elected and serving in the upcoming year. I wish them well.

The International Convention in Montreal in late June was enjoyable. We had a good contingent of Lions from New Hampshire. Elections were held and Brian Sheehan is our new International President. We had a Parade down one of the main streets of Montreal and I happened to look over to see Brian help out a person who apparently had heat stroke. Where there's a need there's a Lion.

So, let's go forth and serve our Communities. And serve with kindness. Best wishes.

Childhood Cancer by Michelle Ackroyd

Childhood Cancer July 2022 by Michelle Ackroyd

I would like to thank all that participated and donated to the Rockingham County Relay for life Cathy's Angels/Salem Lions team. We had a great day on the track at Pinkerton Academy on Jun 18th. We raised over \$17 thousand dollars to go towards Childhood Cancer research. This was the first year with the Childhood Cancer initiative, but it certainly won't be the last. More information on that in the months ahead. We heard an amazing story about a family who's son was diagnosed with cancer in January of 2021. Cancer is the number one disease that kills children, and that is in spite of all the gains for some forms of cancer over the years, others haven't had any improvements in 40 years. I think our children need our help and as lions I think we have the ability to do so.

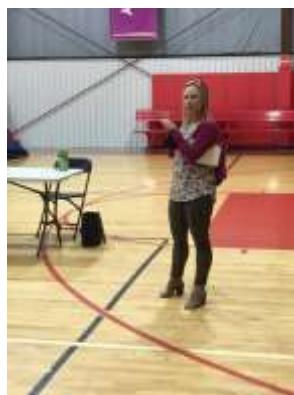

I also had the good fortune to be involved in the Make a Wish headed up by the Hampstead Lions 2021. The wish was for a pool for a little girl in Manchester and the Lions of the district came thru in a big way. I have added a picture of some of the committee and the pool that was installed and her first pool party. Thank you lions for your support.

Environment by Jeri Maynard

ENVIRONMENT

Just having received the July issue of Consumer Reports, I immediately spotted an article entitled "Save More, Waste Less"- simple steps to **be greener** and save money around the house... Now, I'm really interested! And after reading it, I realized that we have touched on many of these points in previous articles. Consumer Reports outlines seven common sense steps to **stay green** and help with household expenses. Each step is detailed with information and examples of change- too much to go into here (*if you can, secure a copy to read the article in its entirety*), but here is a brief synopsis:

1. Making smart food choices: buy organic and/or patronize your local farms- results in food transportation costs to the grocery store cut/ and fewer fuel emissions in the environment. Organic food is grown with fewer pesticides, less water and fertilizers- buy in season for the freshest and tastiest produce...
2. Skip one-use products: stop being a member of the "throw-away society"! Ex: paper towels- use old rags to clean up spills; paper napkins, paper coffee cups/lids (bring your own mug), plastic silverware, etc. Water bottles- install a filter system and fill your own bottles – all will help with by not occupying the landfill...
3. Saving on water: use a rain barrel to water your plants; use full loads in your washing machine and dishwasher – you'll save more money on your electricity bill; if you wash your dishes by hand, use two basins- one hot, one cold and don't run the tap the entire time. Install water-conserving shower heads and faucets- (can DIY if handy); take showers instead of bath. Reassess your laundry habits-most clothes can be washed in cold water- bulk of energy costs are for heating water- most clothes do not need hot water to get clean. Try hanging clothes on a line and cut down dryer use- sunshine is free! - no need for dryer sheets, they will save their cost and not land in the landfill (put a little vinegar into the wash cycle to soften items).
4. Reassess your commute: Driving a car adds a tremendous amount of pollution to the air and has the added costs of insurance, car payments, and gasoline- try using your bike for small errands. If you are commuting to work or other destinations, try carpooling to cut costs- use public transportation if available, which will help reduce pollution levels, save on parking fees and you'll skip the traffic ...
5. Replacing your appliances: Older big appliances such as refrigerators, washing machines, dryers, etc. are expensive to run; newer models need less electricity and that leads to a lesser burden for the hydroelectric and coal-burning facilities- you will be helping the environment while enjoying a lower utility bill. Be sure that old appliances are disposed of properly! Smaller appliances, like microwaves might be repaired, but if not, try finding your replacement at a thrift store- promotes recycling...
6. Join the sharing community: the "sharing economy" lets you rent things you might purchase otherwise and probably use only once. Rent special tools for a single special project; rent a special occasion outfit (wedding attire/tux, prom) that you might never wear again. Sharing companies may work online- you order and wait for item to arrive- while others can be found locally- online searches can help you determine what will work for you
7. Cutting your energy bills: energy consumption is hard on the environment and that is reflected in your monthly bills. To recap: Consumer Reports estimates you'll save roughly \$725.00 per month by making the following small changes: Homegrown/local produce- \$10.00; just paper towels: \$15.00; Showers: \$7.00; Biking: \$679.00 (assuming you are a daily commuter to work); cold washing: \$5.00; refrigerator replacement: \$9.00.

SMALL CHANGES CAN MAKE A DIFFERENCE- GIVE IT A TRY

Hunger by Martha Ackerman

Hunger June 2022

Two key hunger facts – There is more than enough food produced in the world to feed everyone on the planet and still today, more than 800 million people worldwide go to bed hungry. Why? Poverty, conflict, and climate change...to name a few reasons why people are hungry every day. But more important – what can YOU...WE do to help?

- **Volunteer at end68hoursofhunger** 17 Airport Road #17B Nashua, NH Wednesdays at 6:30 p.m.
Information: nashua@end68hoursofhunger.org or 412-423-6368
- **Host a Nashua Lions Food Drive:**
Emergency food providers (food banks, food pantries and soup kitchens) can purchase and acquire food in bulk, which means that a dollar donated can go many times farther than a dollar spent on cans for a food drive. Cash donations also help pay the important but often overlooked overhead costs of running a food pantry or soup kitchen, such as transportation or utilities.
- **Support/Volunteer at a local Food Pantry**
Emergency food providers (food banks, food pantries and soup kitchens) can purchase and acquire food in bulk, which means that a dollar donated can go many times farther than a dollar spent on cans for a food drive. Cash donations also help pay the important but often overlooked overhead costs of running a food pantry or soup kitchen, such as transportation or utilities.
- **Advocate for Federal Nutrition Programs**
About one in four Americans depends on USDA food and nutrition assistance programs to help feed themselves and their families. These programs, such as SNAP, WIC and public-school breakfast and lunch provide over 20 times more food than food banks, food pantries and soup kitchens do, which is why it is so important to advocate for government policies that help hungry people, especially as Congress considers deep cuts to these programs.
- **Support grassroots solutions**
Many people in need are making their own change and working to improve access to healthy food in their own communities. Building a stronger local food economy can create jobs, keep money in the region and give people control over their own food. You can support these efforts in community gardens, co-ops, farmers markets, youth empowerment programs and similar work.

These are just a few ways to support local efforts to feed the hungry.

I challenge you to get involved!!

LIONS CAMP PRIDE CONNECTION

July 2022

Happy Summer everyone, this is Lenny Hall reporting Live from Lions Camp Pride. We are almost there with completing our 2022 task list. All adoptive Clubs have either completed or about to complete their respective building cleanups. **Thanks to all.** Salem bunkhouse baths Done! Wakefield bunkhouse baths. Done! Dining Hall baths and walk-in freezer. Done! New archery shed. Done! Danville Staff building. All painted! All handicapped doors now have new lever handles. Our maintenance building is in the process of getting cleaned out and organized, within the next week you will actually be able to find something.

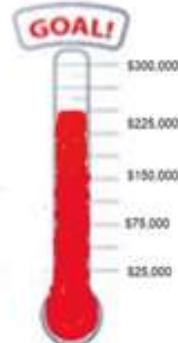

Meanwhile while all this is going on, our Pavilion is coming out of the ground. Check out the pics on the next page. Very exciting.

Lions Camp Pride once again has an opportunity to give back to our community. US Marine Nick Losapio was killed in a helicopter crash in California on June 11th. The Camp will be hosting a Celebration of Life get together for his friends and family on July 9th. His family spends summers on Merrymeeting Lake, and we are happy to help in any way we can. I know it's short notice but if available we could use some help making the camp look Marine Corps fresh the week of July 4th. Let me know if you are coming.

Thank you all for providing great service to Nashua on Memorial Day 2022.

Congratulations to three outstanding recipients of Nashua Lions Club Scholarships!

The John R. Deschenes Memorial Scholarship was presented to Britney Sayegh from Bishop Guertin High School. Britney will be attending Brandeis University in the fall. The second presentation was to Elizabeth Brunelle from Nashua High School South. Elizabeth will be continuing her education at Wellesley College. The final presentation of the evening was made to Nicholas Dahl from Bishop Guertin High School. Nick plans to attend Trinity College. Each recipient received \$2000 towards their continued education.

The Scholarship Committee includes Lions Martha Ackerman, Elaine Lecius, Stephanie Norris, Lou Marino, Gail Marino, Mike Francoeur, Conor Lyons, Derek Connary, Fran Hendrickson, and Louise Deschenes. They had their work cut out for them as they selected the recipients from 22 applications received.

June Donations: Our Finance Committee recommended the approval of several donation requests. The Club voted to approve donations to Home Health and Hospice, Corpus Christi Food Pantry & Assistance, Special Olympics, End 68 Hours of Hunger, and Girls Inc. A request for vision aid was also approved.

Camp Pride Clean-Up Day: Nashua Lions spruced up our bunk house at Camp Pride towards the end of June.

New Member Induction: Four new members were inducted by First Vice District Governor Kamal Masand in June. Welcome to the world's largest service organization: Aletta Brown, Gigi Gagne, Michael Joseph, and Nick Miseirvitch.

Officer Installation: District Governor Elect, Randy Tompkins, installed our new officers. Congratulations to our officers who will lead us through the next year.

Peace Poster Contest - "Lead with Compassion"

Is the theme for this year's contest, 2022-2023. Kits cost \$12.00 each and checks should be made payable to Lions Youth Services, and mailed directly to: Lions Youth Services, PO Box 156, Atkinson, NH 03811.

There is only one (1) Kit available through Lions Youth Services as of this date, so if your club needs one, please contact Rhonda Wynne at

rwynnemilford@comcast.net

The following clubs have purchased kits:

44N Clubs - Bedford, Canaan, Chesterfield, Jaffrey-Rindge, Milford, Pinardville, Winchester, 44H Clubs; Atkinson, Barrington, Conway, Hampstead, Hudson, Rye/AIR, Sandown, Windham, and Wolfeboro/Camp Pride.

If your club is not listed, please send Rhonda Wynne an email rwynnemilford@comcast.net to let her know.

If you have not paid for your kit, please send payment to Lions Youth Services, PO Box 156, Atkinson, NH 03811 and indicate "Peace Poster" on the memo line.

Many clubs do not send kits to the school or youth group until September but if you can by all means do so. This gives the youth extra time to work on their art.

Also, if your club hasn't done so as yet, please select a Peace Poster Chair so that they can stay on

top of it. If anyone needs more information concerning the Peace Poster Contest, feel free to contact Rhonda Wynne.

Terri Lynn Fundraiser - we are continuing the promotion into this Lion's year so please be sure to check out the latest flyer in this newsletter. We thank you for your continued support. *Enjoy the great nut and chocolate selections from Terri Lynn.*

THE DOGSIGHT PROJECT

**A Program of the New Hampshire Lions
Multiple District 44 – Health Services of New Hampshire**

A BIG Thank You!

Through the generous support of all New Hampshire Lions, The DogSight Project raised

\$17,300

for the Fidelco Guide dog Foundation this year. It takes \$65,000 to breed, raise, train, and place a single quality Fidelco Guide Dog. Thank you to all the clubs for their support!

The Dogsight Project is looking for members. Duties are light, meetings are short and via Zoom, and satisfaction is great! Contact Linda Piekarski (lpiekarski@ne.rr.com) if you are interested.

Than you all for your generous support!

Linda Piekarski
Chair, the DogSight Project

ORDER YOUR AWARDS FOR SPRING CONVENTION

LIONS SIGHT & HEARING FOUNDATION OF NH, INC GRANITE STATE FELLOW (GSF)

Give recognition to someone in the community who helps and supports your club, or a member in your club that goes above and beyond.

Some clubs have money in their accounts with Sight & Hearing. Consider using those funds to thank individuals or entities for their support, and honor them with a GSF award. The Award comes with a beautiful plaque, a lapel pin and a letter honoring the recipient.

By making a donation of \$500.00 to LSHF, you are not only giving recognition, you are aiding a NH Citizen in need of our services.

Services include, hearing aids, eyecare and cataract surgery.

Donations go directly into the LSHF Endowment.

Clubs may donate to LSHF in \$100.00 increments

Donations may be banked for up to 5 years, by putting a designation on the donation memo.

Applications online: nhlions.org (Sight & Hearing, Granite State Fellow

Or from Chairman PCC Roger LaTulippe at 603-566-9409

Thank You!

As we conclude 'Campaign 100', the most ambitious fundraising effort in LCIF history, I want to take this moment to thank every Lion in New Hampshire for your extraordinary efforts and support in the success of this campaign!

Over the past 105 years, we have proven that Lions united in service can transform millions of lives. As lions, we serve proudly, empowered by our global foundation. Together we are able to serve more than 200 million people a year and continue to fulfill our mission:

"To support the efforts of Lions clubs and partners in serving communities locally and globally, giving hope and impacting lives through humanitarian service projects and grants."

The success of this campaign was made possible by the commitments of individual Lions, club and district wide fundraisers and especially 'Model Club' pledges.

A team of district 'LCIF Coordinators' throughout the campaign, starting with Lions Scott Wilson and Alan Ricard and finishing with Lions Bill Rathbun and John Wynne were instrumental in the success by communicating and working with their respective districts, without these dedicated Lions this would not have been possible. Thank You!

Although this Campaign is over, the mission and goals of LCIF are not, please continue to support **our** Foundation!

Thank You
Eric Lindberg
MD44 LCIF Coordinator
