## Newsletter of Lions District 44-H New Hampshire June 2023 Volume 48 Issue 12

***DG Randy Tompkins [Rye642@comcast.net](mailto:Rye642@comcast.net)***

Greetings LIONS.

Here we are in the last month of my year as your District Governor. I want to take just a minute to say how much I appreciate all the assistance and hard work of my TEAM that made the year a success in my opinion. There are many Lions that work quietly behind the scenes to make the meetings and Conventions run smoothly. Congratulations Convention Chair Marilyn Vaccaro and your team for a great Spring Convention.

My hope is that we continue to work together and meet the clubs needs as well as the Districts. I want the club secretaries to look at the requirements for the "Club Excellence" award. It's OK for the club to pat yourself on the back for all the good work that you have done over the course of the year.

Service is what we do and this is a look at what was reported as SERVICE for the clubs in the District:

Clubs Reporting : 75%

Service Activities : 1,319

People Served : 224,365

Volunteer Hours : 28,382

It is clear that we are making a difference in our Communities.

### UPCOMING EVENTS

### From District Governor Elect Kamal Masand:

2023 marks 100 years of Lions in New Hampshire! Manchester Lions Club will be celebrating their 100<sup>th</sup> anniversary on Saturday, June 24<sup>th</sup>, and Nashua Lions Club will be celebrating their 100<sup>th</sup> anniversary on Saturday, September 30<sup>th</sup>. We hope to see Lions supporting Lions at these grand anniversaries. In 100 years, New Hampshire Lions have grown to over 75 clubs, and over 2300 members. We have done wonderful projects to enhance our communities, and we have raised incredible amounts of money that we donate back to our communities through service projects and support to other organizations.

Last month I attended conventions for both 44H and 44N. It is with sincere gratitude that I thank all 44H Lions for electing me as your District Governor for 2023-2024. Congratulations to District Governor Randy on his successful year. Congratulations to Peter LaPointe and Marie Valliere on being elected First and Second Vice District Governors. I will be going over my goals in our cabinet meeting which will take place on Aug 13<sup>th</sup> at the Nashua Country Club. I hope to see many of you there, and I'm looking forward to meeting you all in person.

### A message from International President Brian Sheehan **Celebrate Leadership at LCIcon 2023**

Just like you, Lions all over the world are leading the way forward in their communities. And our international convention from **July 7-11, 2023**, in Boston is your opportunity to celebrate our achievements, build lifelong relationships with Lions from around the world, and experience world-class entertainment and speakers.

Visit [LCIcon Boston 2023](#) to learn more about all the incredible events we have planned for you and [register today](#) to be a part of the most exciting Lion event of the year.

Selfless Service to Humanity is Service to God.  
Kamal Masand

### *SVDG Peter Lapointe*

This time of the year is exciting for most everyone. The trees have sprouted new leaves and spring flowers abound everywhere with colors that paint the landscapes as we travel around. As we continue our journey the air is filled with the sounds of birds, children playing and lawnmowers.

And yet, we as Lions continue to look for ways to serve the needs of our community and to make a difference to all those in need.

There is still time for anyone to register for LCI Boston 2023 (July 7-11) and to experience an international convention just a short distance away.

Two roads diverged in a wood, and I – I took the one less traveled by. This is our opportunity – choose to make a difference. We Serve Lion Peter 2nd-Vice District Governor 44H Peter J. LaPointe

### June membership

Wow it is hard to believe this is the last newsletter for this Lion year. I have enjoyed being your membership chair. Thank you for inviting me to your meetings and adding new members. Remember this is the final month of the year. Make sure your bills for dues have been sent out because you will be billed for all members on your books as of June 30th. If you want the club excellence award you need to add one member this year. Just ask. Once you get new members orient, mentor and get them involved if you want to retain them. I hope you have a great rest of the year. I will be the Global Membership person again next year so if you need anything just ask.

## MCC Chair Comments, Robert Gustafson

Are you ready for the LCICON Boston Parade on Saturday, July 8th? Do you have your shirt, hat and white shoes ready to go? Now, you just need the right color of Pants? Our Uniform Czar, Joe Kasper, advises that we wear sand colored khakis as depicted above. Remember, New Hampshire Lions want to look unified! Let's do the best we can to wear the Lions Uniform of the Granite State.

We'll be congregating with New England as #94 with Ct, Maine, NH, RI and Vermont in that order in the Green assembly area @ 9:15am. MA will be holding up the rear in the Blue assembly area. Estimates of more than 8,000 Paraders will be marching down Boylston Street. Quite a sight to see!

Thank you for letting me serve as your Multiple District 44 Chair this past year. As Spock would say, it's been fascinating! Live long and prosper my fellow Lions. And, always serve with kindness.

---

From the Campaign Trail of MD 44 Endorsed Candidate  
for International Director PCC Steve Middlemiss

June is here and the Boston Convention is literally around the corner. (37 days). It will be an honor to represent NH, as well as the United States, on the International Board. I thank you all so much for placing your trust and support in our efforts to be the next International Director from NH. Our Middlemiss for International Director Team is still hard at work putting together the final touches for our campaign at the Boston convention.

As I mentioned last month there is still work to be done and your help would be greatly appreciated. We are looking for volunteers to help us at the Boston Convention. This includes handing out brochures etc. in the convention hall, placing brochures at the numerous breakfasts that we will be attending, as well as holding posters during the parade either marching or on the sidelines. These are but a few options of how you can help. If you are willing to spend a few hours volunteering it would help our goal become a reality. Please contact our Campaign Manager PDG Gary at [deputy.g.rodgers@gmail.com](mailto:deputy.g.rodgers@gmail.com) and sign up. I am thankful for any help you can provide us.

We look forward to seeing you all in Boston. What an amazing city to hold a convention, and it's right in our backyard. See you all soon.

Yours in Lionism,

PCC Steve Middlemiss  
Candidate for International Director

## Cancer Awareness

### Childhood Cancer

Some of you met the Walls at the November Cabinet Meeting. I met them last year at the American Cancer Society Relay for Life event at Pinkerton Academy. Their story makes you think why hasn't Childhood Cancer been researched as much as other cancers. Last year at this Event the Salem Lions were a Gold Together Sponsor. What that means is every dollar that the team raised went to Childhood Cancer research. The Salem Lions have decided to be a Gold Together Sponsor again this year. This is where we all can help with Donations to Childhood Cancer Research. Relay For Life Southern NH event is on June 17<sup>th</sup> at Pinkerton High School from 1 to 10. If you want to join our team Salem Lions/Cathy's Angels we would love to have you join us. The money donated will go towards Childhood Cancer Research. I have attached a link here so you can see what it is all about. Just highlight the link and paste it into the google. If you don't want to join the team you just want to donate your Club can do that as well by clicking on the link and hit the Donate button. Or filling out a sponsorship form. If you want more information please email me at [m.ackroyd@comcast.net](mailto:m.ackroyd@comcast.net) or call me at 603-553-5001 I will be happy to answer any questions.

## Diabetes Awareness

### Diabetes Awareness

Mary Tremblay, Chair

#### From the CDC Ways to Prevent Type 2 Diabetes

1. Not quite ready to join a lifestyle change program, or waiting for your class to begin? Get started with [On Your Way to Preventing Type 2 Diabetes](#), a practical guide for taking small steps that add up to a healthy lifestyle you can stick with.
2. Not long ago, it was almost unheard of for young children or teens to get type 2 diabetes. Now, about one-third of American youth are overweight, which is directly related to the increase in kids who have type 2 diabetes, some as young as 10 years old.
3. Parents have the power to make healthy changes that give kids the best chance to [prevent type 2 diabetes](#). And when the whole family makes changes together, it's easier to create healthy habits that stick. Get started with these [simple but effective tips](#) for healthy eating and being active family style.
4. **Why is prevention so important?** Because [type 2 diabetes](#) is a serious, chronic health condition that can lead to other serious health issues such as heart disease, stroke, blindness, and kidney failure. If you can prevent or even delay getting type 2 diabetes, you can lower your risk for all those other conditions.

## Environment

### ENVIRONMENT

Several issues ago, I wrote an article on “pollinators” which included insects, birds, bats, and some other types of animals. The emphasis was on how important they are to us and what we can do to help them along. Because of the recent news airings about people being bitten by swarms of bees, I decided to research the pollinators that we are most familiar with, i.e., Honey and Bumble Bees. There is some VERY interesting information about those two types of bees and their life cycles, feeding and mating habits on the internet.

Did you know:

1. Honey Bees are more social than Bumble Bees- they work together and help each other find their food pollen sources. Bumble Bees are more independent and may even “buzz off” to create their own colonies
2. Honey Bees build their nests high above ground (high enough to keep out predators) and Bumble Bees create nests in burrows underground
3. Honey Bees are slimmer with heads distinctive from their bodies while Bumble Bees are round and furry, head is not distinctive because of their plumpness
4. Honey Bees produce more honey (thus their name) and are the bees found at your local beekeeper hives. Bumble bees create honey BUT only enough for their own survival
5. Honey Bees live longer because they hibernate during the winter (Queens can live up to 3 yrs.). Bumble Bees all die in the Fall with Queen “gynes” surviving and emerging in the spring to lay her eggs for the next generation- the bees you will see in early spring are probably Queen bees hard at work to construct her “kingdom”!
6. Honey Bees can only sting once and they will die- Bumble Bees can sting multiple times. Both species are considered docile and only will sting when threaten.
7. Both Honey & Bumble Bees need water for nourishment and to keep cool during hot summer days
8. Bees are not attracted to human scents, as well as lavender oil, citronella oil, olive and vegetable oils, lemon & lime scents- keep that in mind rather than a chemical bug spray
9. Finally, run if attacked by a swarm- bees are slower than humans- you can outrun them...

#### We need pollinator bees and they need us!

#### What can we do??

1. Plant local flowers and vegetables- your local nursery will tell you the best
2. Use organic pesticides-available at Home Depot, Tractor Supply, and other similar stores.
3. Save a spot in your yard to plant clover instead of grass- clover grows well in poor soil, and does not require very little attention

P.S. Back to what we have watched on the news, those bees are what they call “Killer Bees” or as they say- “the bee with an attitude”- they are a mutation of the Honey Bee, first found in Africa, migrated to South & Central America and now into CA, TX, and FL. We are not a conducive environment for the them-**yet**. African Killer Bees are vicious, easily aggravated, and attack in large swarms. They usually attack the face and feet and will follow you for a great distance- so run fast!

## Hunger

### The New Hampshire Food Bank (cont.)

**Fresh Rescue Program:** The New Hampshire Food Bank, in partnership with supermarkets across the state, collects or enables our partner agencies to recover, fresh meat and poultry that would otherwise be disposed of every week. These high-quality protein products are collected by or distributed to our partner agencies throughout New Hampshire and are also used in our Culinary Job Training Program to prepare nutritional cuisine for distribution to our agencies.

**Mobile Food Pantry:** Despite the more than 400 agencies and programs we serve across the state, there remain many areas with high levels of need. Even in areas where agencies do provide assistance, clients may not always have access to food because many agencies have limited capacity and can only be open certain hours or days of the week.

Our Mobile Food Pantry program addresses this problem with inner-city food drops on a weekly basis (subject to availability of product). When funding is available, additional Mobile Food Pantry food drops are done in remote locations around the state in response to local need and as a means to distribute nutritious food, such as fresh produce, meats, dairy and canned or boxed items.

**NH Food Bank Nutrition Pantry Program:** NH Food Bank's Nutrition Pantry Program (sometimes referred to as "NPP") combines the best practices of healthy pantry work grounded in trauma-informed principles and processes that promote a client and community-centered distribution. This program, currently in its pilot stage, gives the Food Bank the opportunity to support, educate, and empower our partner agencies as they meet their client's needs. Through this program, we are able to support our agency network and their clients with an integrative approach to nourish all, regardless of socioeconomic status.

**How do we accomplish this?** The NH Food Bank Nutrition Pantry Program works to reinforce the strengths of each pantry by offering technical assistance, resources, idea sharing and connection to the community. Recognizing that all pantries are different, staff and volunteers at the pantry site work with NH Food Bank implementers to identify site- and client-specific needs in the following six focus areas:

- **Cultural & Dietary Accommodations:** *People of different backgrounds have access to food and information that fits their preferences and health needs.*
- **Nutrition Education:** *Clients, volunteers, and staff have access to nutrition and culinary education.*
- **Environment:** *Clients are warmly welcomed, and healthy options are easy to access.*
- **Inventory:** *Food Sourcing & Waste Reduction: Healthy foods are prioritized for distribution. Pantries support a variety of waste reduction efforts.*
- **Community Connections:** *Pantries connect and collaborate with the community.*
- **Policies and Procedures:** *Policies and procedures are documented and align with a commitment to dignified, healthy distribution.*

## LIONS CAMP PRIDE CONNECTION

June 2023

This is your Captain speaking and it's time for all members of District 44H to come to Camp and help us get ready for the 2023 season. Moultonborough bunkhouse bathrooms almost complete, Danville's staff building 50%. Some bunkhouses and buildings still need to be cleaned. All new paving in front of the dining hall and in front of the new pavilion is completed and it looks great.

By the time you get to read this newsletter, The pavilion ribbon cutting celebration will be in full swing. It's been a great project, but I for one am glad it's over. I would like to thank all the Lions who helped get this building done. The volunteer labor hours were many, the financial support exceeded everyone's expectations. We were able to do much more than expected with the additional money that was received. Now it's time for our kids to simply enjoy the new space. The Lions Camp Pride Board has submitted a grant request to LCIF for \$30,000 to replace all doors and windows in the dining hall. It's a matching grant so in the late summer we will be looking to have a fundraiser to raise our \$15,000 half. Keep you posted.

**The Dover, Rollinsford and South Berwick Lions Club welcomes *Kennebunk Savings Bank* as a Bronze Sponsor for the Second Annual Charity Corn Hole Tournament**

For Immediate Release: The Dover, Rollinsford, South Berwick Lions Club welcomes *Kennebunk Savings Bank* as a Bronze Sponsor for our Second Annual Charity Corn Hole Tournament!

The Corn Hole Tournament, which takes place at The Barn at Dunn Farm in Berwick, Maine on August 12, 2023, will benefit pediatric cancer research at Children's Hospital at Dartmouth. Gold, Silver and Bronze Sponsorships are available through June 14, 2023.

Last year the group raised \$3400 for Children's Hospital at Dartmouth Health thanks to the local business community that rallied to support the cause. This year's goal is to raise \$10,000 for Dartmouth Health Children's, New Hampshire's only children's hospital. According to Sarah E. Earnest, Development Officer of the Dartmouth Cancer Center, Dartmouth is poised to have a direct and immediate impact on preventing cancer in children as a national leader in cancer research. Dartmouth researchers are working to refine approaches, protocols, and education for pediatric screening in a way that empowers doctors and parents — and saves children's lives.

Turnout is expected to exceed 500 people, including players and spectators. Sponsors will be featured on T-shirts, banners, plus additional options.

Huge thanks to Kennebunk Savings Bank for helping make a difference in our community.

**Teacher of the Year:** Congratulations to the Nashua Lions Club 2023 Teacher of the Year, Tara Osinski, who was honored at our most recent meeting. Osinski was accompanied by her family as well as Marie Kirk, Director of Marketing and Advancement at World Academy where Osinski teaches. Turns out several of her former Sunset Heights teachers and friends were also in attendance, Lions Louise Deschenes, Stephanie Norris, and Erin Freda.

**Food Drive with United Way:** Lions Eileen and Liz Kelly participated in a food drive coordinated by the United Way. Donations they collected support the Salvation Army food pantry. During three hours they collected a truckload of food and a lot of money donations. Thank you, Eileen and Liz, for helping dozens of families by volunteering your time.

**Mine Falls Park Clean-Up:** Nashua Lions DG elect Kamal, incoming President Erin Freda, Lion Linda Quebec, and Jim joined other volunteers to clean the trails in Mine Falls Park. It was a great morning to show Lion pride and pick up trash to leave the park better than it was.

## What is Lions Lift?

Lions Lift is an excellent opportunity to provide essential transportation for the blind and visually impaired people living in your community!

Lions Lift is a partnership with NH Lions clubs and Future In Sight's Volunteer Drivers program. It is a service project in each club's community which provides essential rides.

## The Need...

Did you know that there are nearly 26,000 blind and visually impaired individuals in New Hampshire? Every Lions Club likely has many blind and visually impaired individuals who need essential rides in their community. Lions can make a difference with your help!

## How It Works

- We connect Lion members and their clubs with the Blind and Visually Impaired in need through Future In Sight.
- All interested Lion participants register with the Future In Sight Volunteer Driver program.
- Future In Sight conducts an orientation and training so all participants feel comfortable and confident with the service project.
- Once all volunteer paperwork is processed including background checks, paid for by Future In Sight, participants are welcomed into the Lions Lift Program.
- Ride opportunities for your area are shared with you by the Future In Sight Coordinator of Volunteer Services, Donna Fanny. You may choose which opportunities match your comfort and availability.
- Future In Sight will track the number of individuals served, miles driven and provide regular reports for each club pertaining to all their participating members.

## LIONS SIGHT & HEARING FOUNDATION OF NH

Comments from Lions Sight & Hearing Foundation President PCC Steve Middlemiss

We reviewed 1 new case at our last meeting which were approved for \$1,400.00. Year to date LSHF has helped 29 individuals for a cost of \$33,121.00. **Once again clubs, please let your communities know that LSHF is here to help them with their sight and hearing needs.** Thank you to the Lions of MD 44 for supporting LSHF and allowing us to help those in need in our communities.

Presidents, please consider honoring one of your members for their work in your club this year by awarding them a **Granite State Fellow**. A GSF is also a great way to recognize an organization that has contributed to your success this year. With Officer Installations, Club Year End events coming up quickly time is growing short to place your orders. Please contact PCC Roger LaTulippe to place your order at [dgroger@comcast.net](mailto:dgroger@comcast.net). If you are unsure if you have the \$500 cost banked with LSHF please contact our Treasurer PCC Fred Plett at [mccplett@gmail.com](mailto:mccplett@gmail.com).

Our next year's officers and directors have been elected. Incoming President PDG Marie Hall is ready to take over the reins and the rest of the board is well prepared to help her accomplish the goals of LSHF.

I wish to thank all of the board members for their hard work this past year. It was a great year and I know we accomplished so much. The ability to help those in need is what makes us Lions.

As I hopefully move forward in my next role within the Lions organization, I will still be available to help LSHF in any way I can.

Please remember that every lion of MD 44 is a member of Lion Sight and Hearing Foundation and are always welcome to our monthly meetings held the third Thursday of each month at the Airport Diner at 6:30 pm.

Yours in Lionism

PCC Steve Middlemiss

President LS&HF

## THE DOGSIGHT PROJECT

A Program of the New Hampshire Lions  
Multiple District 44 – Health Services of New Hampshire

### A BIG Thank You, MD44 Lions

The Lions of New Hampshire have shown their understanding of just how important independence is to individuals who are blind with their support of the DogSight Project. This year MD44 has donated \$19,000 to Fidelco for the breeding, training, and placing their wonderful and talented German Shepherd Guide Dogs. With costs rising everywhere, it is no surprise that the process takes \$65,000. The benefit to the blind handler is priceless. As one of these, I thank you all so very much for your generosity!

There's still time to contribute to the 2022-2023 campaign. Checks should be made out to **LSHF** with **DSP** on the memo line. Please send checks to:  
The DogSight Project, c/o Linda Piekarski,  
15 Edgewood Ave, Keene, NH 03431.

Thank you for your support!!

### **Get the details on the Lions Clubs International Convention**

Every year, Lions and Leos from around the world gather in one place to celebrate the past, present and future of service. It's when we catch up with friends from around the world, see what's going on in the organization, and make decisions about the future.

## Going to the International Convention in Boston and Marching in the International Parade of Nations on Saturday, July 8<sup>th</sup>?

Here's what you will need to march in the Parade:
