

VENDOR

INTERACTIVE DIRECTORY

OPEN
24/7

Think beyond traditional signage & static trade show booths! A virtual event experience not only offers real-time data and exposure, but year round engagement between franchisees and your brand.

Receive leads and contact information from attendees who message you to learn more about your products and services.

CUSTOMIZE

DEDICATED LANDING PAGE

Give your brand and product the chance to shine on your own dedicated landing page. Your page is entirely customizable - bring your brand to life with your logo, descriptive information, keywords, documents and multimedia content.

View event attendees who visited your landing page and message them via the platform.
