

# AUGUSTA ELEMENTARY

Board Presentation prepared by:  
Dr. Mary K. Robertson

## Motto:

---

---

- *Augusta Elementary is dedicated to providing a physically and emotionally safe learning environment where all individuals can reach their fullest potential. Through collaboration for continuous improvement, students will be engaged in critical thinking and become innovative problem solvers.*

# A safe place to learn, grow, and work!

---

---

# Building Goals:

---

---

- Goal 1: 80% of the students at Augusta Elementary will either score at or above grade level or will show one-year's growth in the area of reading as measured by the DRA 2 assessment.
- Observation and feedback of small group reading sessions
- Invite instructional coaches as needed
- Review and share reading strategies found in *The Reading Strategies/ The Writing Strategies* books by Jennifer Serravallo.
- Build up resources in the book room.
- Tier II meeting to discuss struggling students
- Peer observations of other teachers
- Have students set goals
- Implement Growth Mindset strategies as we move through the book *Growth Mindset Playbook* by Annie Brock and Heather Hundley

## Building Goals:

---

---

- Goal 2: 80% of Augusta Elementary student will attain a proficiency level of 75% or higher in the area of mathematics as measured by the quarterly benchmarks or make one year of growth as measured by STAR math.
- PD on problem solving and number talks -given by Amanda Schweissguth
- Provide feedback during math lessons
- Share instructional practices during PLC
- Increase the use of math vocabulary in lessons-require students to use the correct vocabulary terms
- Investigate Freckle or some other resource to support student deficit areas.

## Building Goals:

---

---

- Goal 3: Augusta Elementary School will maintain or reduce the number of discipline referrals as measured by Lumen.
- Monthly PLC meeting on PBIS
- Tier II check in and out services
- Research and discuss how growth mindset activities can be used to support student behavior
- Tier II meeting to discuss behavior issues/students at all grade levels

# Building Goals

---

---

- Goal 4: Students at Augusta Elementary will be exposed to and explore a variety of careers.
- Recruit parents and plan our 2nd career day
- Plan one field trip per grade level based on career exploration
- Journalism club
- Yearbook club
- Research a maker space
- Pathways training for selected members of the staff
- PBL training for selected members of the staff
