

Jackfruit Fajitas

Ingredients

1-2 can(s) Jackfruit (rinse thoroughly to remove excess sodium)
2 Bell peppers
2 Onions
1 pouch Ortega Reduced Sodium Fajita Mix
1 can Refried beans (optional)
Flour or corn tortillas

Directions

- 1) Chop up the jackfruit.
- 2) Cut up the onions and peppers and sautee over medium heat in a non-stick pan.
- 3) Add the chopped jackfruit and fajita mix to the peppers and onions.
- 4) Heat to desired texture and temperature.
- 5) Warm refried beans.
- 6) Add all together on the tortilla shell of your choice.
 - a. Include: sour cream (or fat free Greek yogurt), guacamole, shredded cheese, etc.
