Join YALA Twin Cities and JDC Entwine for a virtual giving circle where we will explore our Jewish and giving values through the lens of the Federation's overseas work and JDC's global response to COVID-19. Together, we will allocate a meaningful gift in support of JDC's life-saving programs.

Participants are asked to give a suggested donation of \$20 and those who can give more are encouraged to do so.

WHAT IS A GIVING CIRCLE?

A giving circle is when members pool their charitable contributions and decide together where the funds should go. Giving circles are a powerful tool for building community—for strengthening members' personal, professional, and philanthropic networks—and for making an impact that proves what we can do when we work together.

This program is intended for adults 21-40. Financial need should never be a barrier for participation in a YALA program. Please contact Emma, YALA Manager, at edunn@jewishtwincities.org with any questions or concerns.
