

God Made a Covenant with Abraham

Genesis 12-20

Family Discussion Starters:

- What is one thing you remember from this week's Bible story?
- What was the special promise God made with Abram?
- How do you think Abram felt when God told him to move?
- How does Jesus save us from our sin?

Family Activity:

- Go outside and look at the stars in the sky or look online for a picture of a starry sky. As a family, try to count all the stars. Talk about how God told Abram the number of stars in the sky would be the number of people in his family. Name the different members in your family.
- Locate a box or suitcase and encourage your children to pack a few items to pretend they are moving or going on a trip. Remind your children that Abram obeyed God when He told him to move. If your family has experienced a move, talk about the feelings you had before, during, and after the move.
