

## God Gave Solomon Wisdom

1 Kings 2-3

### **Family Discussion Starters:**

- What is one thing you remember from this week's Bible story?
- Who became king of Israel after David?
- Solomon asked God to make him wise. What would you ask for if you could have anything?
- How would you feel if you were about to become the king of a country?

### **Family Activities:**

- Spend time with a senior adult family member, in person or virtually. Ask the family member to share what he would ask for if he could have anything he wanted. Ask him to share godly wisdom that he has learned through the years.
- Notice family members making decisions this week. Affirm wise decisions and gently correct unwise ones. Remind them that Solomon asked God for wisdom.
