

Grant Writing & CWI Networking Sessions

Come learn about grant writing from Amy Shankland, Grant Consultant from Grants Avenue. Amy is also a former employee of Hamilton County SWCD. She will discuss grant writing tips and tricks and how to make any grant proposal more competitive.

In the afternoon, there will be time to discuss CWI grant proposals and ask questions with the Grants Program Manager and District Support Specialists. Feel free to invite your partners and bring drafts of your proposal or ideas to work with your neighboring districts.
