Leadership in Change

Friday, February 22nd, 2019
Cass County Public Library
616 E Broadway St.
Logansport, IN 46947
9:00 am -3:30 pm

There is an increasing need to prepare supervisors for the leadership challenges they face today, and in the future, and to equip supervisors with leadership skills that enable them to operate in a rapidly changing environment. Participants in the Leadership Institute's first Cornerstone, Leadership in Change, will gain valuable insight to address this need, including: what is leadership as it relates to SWCDs and change, dealing with change in your SWCD, and understanding yourself and others through Myers Briggs.
