Help us celebrate 30 years of Indiana Lakes Management! The Indiana Lakes Management Society is seeking abstracts for presentations at the 30th Annual Indiana Lakes Management Annual Conference. The conference will be held **March 22 and 23, 2018** at the Potawatomi Inn at Pokagon State Park, Angola Indiana. The deadline to submit an abstract is **Friday, December 1, 2017**. If your abstract is accepted, you will be notified no later than December 15, 2017.

We are looking for presentations covering any of the following topics:

- Water Quality
- Lake Biological Communities
- Drawdown Logistics and Effects
- Grants and Fundraising
- Nuisance Flora and Fauna
- Partnerships
- Increasing Community Involvement
- Legislation

If you are involved in water quality assessment, lake community development, best management practice implementation, community water body monitoring, simply enjoy working with your lake association and/or community then consider sharing your experience and expertise at the 30th annual Indiana Lakes Management Conference.

We invite presentations that deal with all aspects of the management, protection, and restoration of lakes, reservoirs and watersheds. All formats (oral or poster) are welcome with oral presentations being accompanied by a PowerPoint presentation, if possible. Please submit abstracts electronically via email to Joe Schmees at jschmees@idem.IN.gov. Abstracts should contain the following information:

- **Title:** The title should accurately summarize the subject of the proposed presentation.
- **Author(s):** Provide names and an affiliation of all authors (mailing addresses, telephone, fax, e-mail). Underline the presenting author.
- **Text:** The single-spaced abstract should state the purpose, significant results, and main conclusions of your work. Abstracts must not exceed 250 words.
- **Format:** Poster, oral (20-30 minutes). Please indicate the format(s) desired.

Please note: Conference registration fees are not waived for contributing authors. Registration forms and conference materials will be sent to you upon acceptance of your abstract. Please contact Joe Schmees at jschmees@idem.IN.gov or (317)308-3194 if you have questions and thank you for considering presenting at this year's conference.

Organized to "promote and encourage the understanding and comprehensive management of lakes and reservoirs and their watershed ecosystems."
