LEADERSHIP INSTITUTE PLUS+

9:30AM- 2:30PM EDT

Leading Multigenerational Teams

Come spend the day with Mitch Isaacs, Executive Director of the Shafer Leadership Academy, who will take us through their program *Leading Multi-Generational Teams*. *Leading Multi-Generational Teams* “is a hands on journey to a better understanding of people and what makes them think and act the way they do, especially as it relates to their generational background. This workshop will equip soil and water conservation district supervisors and staff to be more effective communicators and leaders through understanding the various generations in the workplace today. Ideal for professionals of any level working in a multi-generational team.”

Registration

*Early registration will be available to those SWCD supervisors and staff who have completed the core 4 Leadership Institute workshops. Space will be limited.
