RECEPTION TO FOLLOW

Former BW Professor, Father Harry J. Bury, is a Catholic priest unlike any you have ever met, and his life reads like an adventure novel. Against all odds, with unwavering faith, he carries his message of love, peace, and non-violence as a priest, political activist, and warrior for peace.

Bury's travels throughout the world span over 60 years. He found himself in compromising and often dangerous situations with American law enforcement, foreign governments, and the church alike. He has been kidnapped; arrested; participated in the release of American POWs in Vietnam; served at the side of Mother Teresa in Calcutta; and was awarded the key to Ho Chi Minh City in gratitude for his efforts to end the war in Vietnam.
