

## 2020 Impact Awards

Our 2020 Community Impact Awards will be presented at the South KC Chamber's Annual Dinner which will be held on Thursday, January 30, 2020, at the Armacost Car Museum.

In order to honor companies and volunteers who have made the MOST impact, we need businesses and community members to help us nominate those who did something to make a positive impact in South Kansas City in 2019.

To qualify, the impact MUST be in the form of a Community Contribution.

Examples of Community Contributions:

- Donations raised by employees and customers to support a non-profit initiative or charity
- Reduction in your company's carbon footprint or implementation of sustainable initiative
- Significant donation of time and/or resources toward meaningful investment in South KC
- Educational initiatives that assist employee/ers, customers, and/or the South KC community
- Providing support to another company or organization who is making a difference in South KC
- Initiatives to support employees and/or coworkers who are in need, rides to work, etc.
- Providing mentor-ship, entrepreneurship, and/or job skills to a person or organization in South KC
- Healthcare initiatives for employees and/or customers that made or will make an impact in their lives
- Initiatives to hire veterans, disabled persons, and/or ex-convicts
- Development investment in surrounding neighborhoods around your company's headquarters

There are MANY ways a company or person (or group of people!) could have impacted South Kansas City in 2019 so please don't feel limited by the list of examples! If you believe someone has made an impact in our region, we want to know about it!

**Nominations will be accepted January 10, 2020.**

Once all nominations are received and reviewed, our secret Chamber judges will narrow down the top submissions for YOU, our Chamber members and community leaders, to vote for a BIG COMMUNITY IMPACT Winner via the Chamber's Facebook page.
