

FAQs for Parents Leads of Enrichment Programs

Q1. When will meetings/classes take place?

It's up to parent leaders to decide when to hold meetings. Most take place once a week, and start about 30mins after school ends, for 1 or 2 hrs. Weekday evenings are also a possibility.

Q2. Does the program need to last the entire year?

No, parent leaders can decide when the program will start and end.

Q3. Is there a prescribed syllabus or content?

No, parent leaders define the syllabus, and determine how to conduct the sessions. Most programs use existing content.

Q4. Is there an approval process?

Yes, and PFC will guide you through this process! Visit fallonpfc.org and click on the Enrichment tab to see the attachments at the bottom of the page.

Q5. I am interested but I need help. Where can I go?

The PFC Directors of Enrichment will work closely with you through each step (application, volunteer clearance, facilities reservation etc.). The PFC also sponsors some of the associated costs. Contact FMSPFEnrichment@gmail.com.
