

NOMINEES FOR THE BOARD OF DIRECTORS

Mary Jo (MJ) Eldridge

With over 20 years of experience in marketing, sales, operations, and administration, Mary Jo has held leadership positions with companies such as Apple, IBM, Dell, and K12. At ECS Learning Systems, she is responsible for building partnerships with educational institutions and technology providers, in addition to sales & customer service. Previously, she held roles in education sales, marketing strategy and execution, and sales operations at technology companies. Prior to ECS, she managed corporate partnerships, education policy and law, and operations at technology companies focused on the K-12 market.

Mary Jo holds B.S. and M.S. degrees from the University of Missouri and earned her J.D. from St. Louis University.

Gwen Pain

Gwen currently holds the position of Development Director for the nonprofit organization, Healthcare | Innovation | Sciences (H.I.S.) Centre, and I have been a Bulverde Spring Branch resident since 2005. I enjoy participating in Chamber activities and have completed the Chamber Leadership Class. I graduated from Texas A&M University with a Bachelor of Science degree in Education & Curriculum. My spouse of thirty-one years, Kevin, and I have two grown children. I look forward to increasing my role and responsibilities with our Chamber in support of our area businesses.

Heath Woods

Heath Woods is a civil engineer working for CLWSC as the Capital Projects Engineering Manager. He is a graduate of Texas A&M University, class of 1995. He and his family (wife Denise and 4 boys) have lived in Bulverde since 2005. When not working, Heath enjoys volunteering his time as the current President of (and a coach for) Smithson Valley Youth Football Association. If there is any other free time in his life, he enjoys RVing and hunting.
