

# ***We are back!!!! 4th Annual Comal ISD Job Shadow Day***

*We would like to offer our Pieper High School and Smithson Valley High School Career Prep Students the opportunity to shadow a local business for a day to get a better understanding of the career cluster and the job opportunities within it.*

*May 2nd, 2024 9am-2pm*

- *Students may shadow one individual or move from one department to the next as you see fit. These students have shown an interest in your career cluster and will be intrigued by any experience you can share with them.*
- *Some ideas if what you may want to share with them:*
  - *What variety of positions are available in the field?*
  - *What training or background is needed to enter the industry?*
  - *What are your favorite parts of the job?*
  - *What are your least favorite parts of the job?*

- *What advice would you give to graduates entering their college and career pathways?*
- *Are there any local training programs that might be helpful to students entering in this field?*
- *We would love to include a mock interview if possible. The more practice they can get in an interview setting the better prepared they will be.*
- *For the safety of our students we would like to keep them in at least groups of two.*

*If you would like to host students for this event at your business please fill out the following information.*

### **Job Shadow Host Sign-Up Form**

*We appreciate your willingness to share your expertise with our students.*

*This year as requested we will email you a little bit about the students and their plans before they arrive.*

*Please email or call Leslie Weil with any questions or if you have a special waiver needed to shadow at your location.*

*Thank you for your support of this program. If you are interested, please reply by completing the Google form link above.*

*Thank you,*
