Gunter Mountain Chapter, NSDAR, provided proclamations for signing by school principals and students. This Chapter also provided classroom posters, age-appropriate activity sheets, bookmarks, patriotic stickers, and information about the U. S. Constitution to the teachers for distribution to all the students.

Constitution Week Posters and exhibits were displayed in the hallways of the school buildings, and teachers were encouraged to have a bell ringing with their students.

The KDS electronic school sign posted a Constitution Week message. The daily announcements in the three schools featured information about the U.S. Constitution and the history behind the designation of September 17-23 as Constitution Week.
