

Graduation 2019

Graduation is a KDS tradition which involves many activities and much planning and preparation. It is the culmination of thirteen years of work and serves as the starting point for the next phase of these students' young lives. This year, 100 young men and women graduated from KDS DAR School on Saturday, May 18.

Student speakers Jessica McGee, Brayden Lewis, and Bailee Chandler reflected on their time at KDS and shared special memories and inspirational thoughts with their classmates and families and friends in attendance.

Diplomas were presented by KDS High School Principal Stacy Anderton.

These young ladies were all smiles as they prepared to receive their diplomas.

The class celebrated after the ceremony with the traditional cap toss outside the Burkey Center.
